Dear Sir

---

**Letter of Thanks**

Dear RamaKrishna Commuri,

I would just like to thank you for the Gate Cycle training you gave to the PB Power Asia personnel recently. The standard of training was excellent and the power plant experience that you demonstrated during the case studies was very useful.

I look forward to meeting you again and would be prepared to recommend you to others interested in using Gate Cycle.

Thank you once again.

Yours sincerely,

Ian G Kingman
